Hit the Links!

Golf is played on a course with either **9 or 18 different holes**—a complete game of golf is called a **round**.

It's important to know the basics of the game and how to use and choose your clubs. You may want to take a few lessons from a pro at your local golf course, or rent an instructional video to learn more about the proper

Tees raise the ball off the ground so you can get your club under it better.

Fun Facts

- There are **336 dimples** on a regulation golf ball. Dimpled golf balls can easily sail two hundred yards from the tee, while a smooth one (with no dimples) would only go about fifty yards!
- On the moon, astronaut **Alan Sheppard** hit a golf ball that went 2,400 feet, nearly one-half mile!

In 1997, at the age of 21, **Tiger Woods** became the youngest player ever to win the **Masters**.
