- **Think about who sees** what you post online. Complete strangers? Friends? Friends of friends? Privacy settings let you control who sees what.

- **Keep your parents in the loop.** Tell them what you're doing online and who you're doing it with. Let them friend or follow you. Listen to what they have to say about what is and isn't okay to do. They care about you and want you to be safe.

- **Talk to an adult you trust** about any messages you get or things you see online that make you sad or scared.

**If it is cyberbullying, report it!**
